Subject: Party of Record/Certificate of Service

Dear Ms. Davis,

This letter is to provide BellSouth's Party of Record/Certificate of Service information to the personnel in your division. With the changes in personnel handling legal document filings and notices for the Florida Public Service Commission, and with the numerous locations of BellSouth, there is sometimes confusion as to which BellSouth address should be used when serving documents or sending notices. BellSouth's local Tallahassee office is the "official service" location for docketed and undocketed matters. This address is:

Nancy B. White, Esquire  
BellSouth Telecommunications, Inc.  
c/o Ms. Nancy H. Sims  
150 So. Monroe Street  
Suite 400  
Tallahassee, Florida 32301-1556

The attorney name may be different depending upon the case involved, but the Tallahassee address should always be used. If this address is not used, then it is difficult to determine the proper response timeframe.

I would appreciate your help in providing this information to your staff as we have recently had filings and notices sent directly to Miami and to Atlanta. If you have any questions, please let me know.

Thank you.

Yours truly,

Nancy H. Sims

5. On or before November 25, 2002, Plaintiffs shall file their reply brief.

6. Oral argument is set for Monday, January 13, 2003 at 1:30 p.m. at the United States Courthouse in Gainesville, Florida. Each side shall have 20 minutes.

7. Unless excused by order of Court upon a showing of good cause, the parties shall mediate this case in accordance with the following procedures:

(a) The parties are directed to select a mediator certified by the Supreme Court of Florida as a Circuit Court Mediator or a person otherwise mutually agreeable to the parties. If the parties are unable to agree upon a mediator by a date three weeks prior to the discovery deadline, the plaintiff shall immediately file a notice so indicating, and I will appoint a mediator.

(b) Unless otherwise agreed, the fee of the mediator shall be paid equally by the parties. The fee shall be paid in the manner required by the mediator.

(c) The first mediation conference shall commence by not later than December 9, 2002 (but may commence at any earlier time). The mediator shall set

the initial mediation conference with due regard to the schedules and other commitments of the parties and counsel and may continue or adjourn the mediation conference in his or her own discretion within the time constraints set out in this order.

(d) The following persons MUST attend the mediation conference:

(1) Counsel of record primarily responsible for the conduct of this matter on behalf of each party.

(2) All parties. In the case of a corporation, governmental entity, or other organization, or officer in his or her official capacity, the party must attend through a representative having full authority to settle the entire case for the party without further consultation. In his or her own discretion, however, the mediator may waive the requirement that the attending representative's full authority to settle be "without further consultation." Unless the mediator directs otherwise, the parties by agreement also may waive the requirement that the attending representative's full authority to settle be "without further consultation."

(3) If a party is insured, a representative of the insurer having full authority to settle without further consultation. In his or her discretion, however, the mediator may waive the requirement that the insurer's representative's full authority to settle be "without further consultation." Unless the mediator directs otherwise, the parties by agreement also may waive the requirement that the attending insurer's representative's full authority to settle be "without further consultation."

(e) Failure of any person to attend the mediation conference as required shall result in the imposition of sanctions.

(f) The parties shall confer in advance on the submission of written materials to the mediator and shall proceed in accordance with any agreement they reach or the instructions of the mediator. In the absence of agreement of the parties or instructions from the mediator, no written submissions to the mediator are required, but either party may submit materials as it deems appropriate, which the mediator may consider as he or she deems appropriate.

(g) The mediator shall have authority to control the procedures to be followed in mediation, may adjourn the mediation conference and set times for reconvening, and may suspend or terminate the mediation whenever, in the opinion of the mediator, the matter is not appropriate for further mediation.

(h) All discussions, representations, and statements made at the mediation conference shall be off the record and privileged as settlement negotiations. Mediation proceedings shall not be recorded by a court reporter or by electronic recording device, except as necessary to memorialize any settlement that may be reached.

(i) This referral to mediation does not automatically toll the time for completion of any other matter in this case.

(j) The parties are encouraged to settle as many issues during mediation as possible. Partial or complete settlements shall immediately be reduced to writing

in the presence of the mediator and shall be signed by all parties and their counsel.

(k) *Mediation in this case must be completed by December 23, 2002.*

The mediator or parties shall file a report within 14 days thereafter (i.e. by January 6, 2003) indicating when mediation was conducted and the outcome of the mediation (that is, whether the matter was settled or impasse was declared). If the matter was settled in full, notice to the court shall be immediate and the parties shall file a stipulation for dismissal and provide a proposed order of dismissal to the Court within 5 working days.

(l) Counsel for each party shall, within 10 days of the date of this order, consult with his or her client about the advantages (including savings of costs and attorney's fees) and disadvantages of proceeding with mediation immediately rather than awaiting the deadlines set in this order. On motion of any party, the court will consider ordering that mediation commence immediately or at a time earlier than otherwise required by this order. With or without such an order, the parties by agreement may commence mediation at any time before the deadlines set in this order.

SO ORDERED this 7<sup>th</sup> day of August, 2002.

**Subject:** Commissioner Reassignments

Shortly after Commissioner Davidson was sworn in, the following cases previously assigned to former Commissioners Jacobs and Palecki were globally reassigned in CCS as indicated below, but the reassignment information was never transmitted to staff in the Clerk's office for entry into CMS. By copy of this e-mail, I am requesting that Hong make the reassignments as shown (the Prehearing Officer is reflected in **BOLD**) so that CMS and CCS reflect the same Commissioner assignments.

Please let me know if you have any questions.
