Re: Docket No. 021256-WU; Application for certificate to provide water service in Volusia and Brevard Counties by Farmton Water Resources LLC.

Dear Mr. Deterding:

Enclosed please find a corrected Certificate No. 622-W which has been created to reflect the Commission's finding in Docket No 021256-WU. As you know, the original certificate sent to you in early December of 2005, erroneously indicated that the utility provided wastewater service. That was a mistake. Please discard that certificate and replace it with the enclosed document which indicates water service.

Sorry for any inconvenience. If you have any questions, please contact me at (850) 413-6970.

Sincerely,

Stanley D. Rieger
