To the Board of Directors  
Florida Phone Service, Inc.

I have compiled the accompanying balance sheet of Florida Phone Service, Inc. (a corporation) as of June 30, 2004 and the related statement of operations for the twelve months then ended, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

A compilation is limited to presenting in the form of financial statements information that is the representation of management. I have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or any other form of assurance on them.

Management has elected to omit substantially all of the disclosures and the statements of cash flows required by generally accepted accounting principles. If the omitted disclosures and statements of cash flows were included in the financial statements, they might influence the user's conclusions about the Company's financial position, results of operations, and cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.
