Re: Transfer of Customer Accounts from Future Telecom, Inc. to A.R.C. Networks, Inc. d/b/a InfoHighway Communications

Dear Sir or Madam:

On February 2, 2006, our client, A.R.C. Networks, Inc. d/b/a InfoHighway Communications ("InfoHighway"), an indirect subsidiary of Eureka Broadband Corporation, and Future Telecom, Inc. ("Future") jointly notified the Commission of the planned transfer of certain assets of Future, including customer accounts and accounts receivables, to InfoHighway (the "Notice"). At the suggestion of Commission staff, we hereby supplement that Notice to explicitly request that the Commission waive the verification requirements of Florida Administrative Code Rule 25-4.118. As set forth fully in the Notice, Future customers have been notified of the planned transaction by mail in accordance with FCC rules, and will have ample opportunity to choose another carrier if they do not wish to receive services from InfoHighway. See 47 C.F.R. §64.1120(e). Accordingly, waiver of Florida Administrative Code Rule 25-4.118 is appropriate.

Please contact the undersigned should you have any questions or concerns.

Respectfully submitted,

Glenn S. Richards
