Re: MBI Services Group, LLC
Response to FPSC Order No. PSC-03-1469-FPF-TL

Dear Sir or Madam:

I am writing on behalf of MBI Services Group, LLC (hereinafter "MBI"), to file a response to the Florida Public Service Commission's Order No. PSC-03-1469-FPF-TL, wherein the Commission granted the petitions filed by Incumbent Local Exchange Companies Verizon, Sprint, and BellSouth, to reduce their intrastate switched access charges to interstate parity, and required Interexchange Carriers to flow-through the switched access rate reductions.

MBI hereby attests that it has not paid any intrastate switched access charges to Verizon, Sprint, or BellSouth in the most recent 12 month period. MBI also will not have any switched access rate reductions from these carriers to flow-through in the future. Accordingly, MBI is filing this letter in lieu of a tariff filing.

MBI just started its operations in Florida around October 2005. MBI provides international telecommunications services via its own switch. Although MBI's services include prepaid calling cards, they, like its other services, are marketed for international calling use. Further, MBI only provides telecommunications services on a wholesale basis; MBI does not offer any services (cards included) to the end-user. For these reasons, MBI has not contracted with Verizon, Sprint, or BellSouth for interstate switched access.

CMP _____ Please date-stamp the "Receipt" copy of the enclosed filing and return it in the enclosed self-addressed, stamped envelope. Should you have any questions regarding this filing, please contact the undersigned.
