Part II

Also, can you correct the title to include all the elements of the underlying agreement: namely, interconnection, unbundling, resale, and collocation.

Dorothy,

There are two things that should be corrected in this: one is the docket title and the second is the list of utilities in the docket.

Please use this e-mail to change the CLEC name in the docket title to reflect what is in MCD - Pac-West Telecomm, Inc. - TX857.

The second issue involves the listed utilities for this docket. I believe the US LEC name is listed in error - I think Verizon should be there instead (TL710).
