Pam

Attached is the updated responses to the FPC RFP.

Below is a summary of the companies to target for each package. PEF sent the annual RFP to 77 companies and received 13 responses of which two were no interest. Additionally, please see attached spreadsheet for detail information, each is highlighted in yellow. Please approve packages #2 through #4; I will proceed and inform you of the process.

Please let me when you have time to discuss. If possible I would like to finish the process later this week.

For Package #1

The supplies for this deal is between [REDACTED] and [REDACTED]. For the overall analysis [REDACTED] is estimated to be about \$23,931 more expensive over a 12 month period. However, my recommendation is to select [REDACTED]. Below are the reasons for this recommendation:

-Total value is approximately the same, only a slight difference.

[REDACTED]

Please advise if we should proceed with [REDACTED]
Thanks

Bob:

A special thanks for the opportunity to visit with you in Raleigh and look forward to continuing our discussions on your natural gas supplies.

I also wanted to make sure that we were added to the RFP list a discussed at lunch.

Let me know if you need any additional information from me.

Thanks,
