Sample Customer Notification Letter (March 1, 2006 – 60 DAYS PRIOR TO PROPOSED EXIT) February 27, 2006

<CUSTOMER NAME>
<ADDRESS>, <CITY, STATE & ZIP>

YOU MUST CHOOSE A NEW LOCAL TELEPHONE SERVICE PROVIDER BY APRIL 17, 2006 TO AVOID DISCONTINUATION OF SERVICE.

Dear Customer:

We regret to inform you that — subject to the approval of the [STATE Public Utilities Commission] — Verizon Avenue Corp. (“Verizon Avenue”) will no longer be providing your local telephone service (and, if applicable, regional toll and/or long distance telephone services) effective **May 1, 2006**. Verizon Avenue’s business plans have changed and we are in the process of withdrawing our competitive local exchange service certificate in [STATE].

Your action is required! You must select a new local telephone provider no later than April 17, 2006 to avoid loss of your local telephone service.

Please be aware that you are responsible for paying all bills rendered to you by Verizon Avenue during this transition. You may be subject to suspension or termination of your phone service in accordance with [STATE PUC] rules if you fail to pay your telephone bill.

Verizon Avenue’s withdrawal from the local telecommunications market may also result in your loss of either (1) the ability to make directly dialed Regional Toll calls and/or Long Distance Toll calls or (2) the calling plan you have with your selected Regional Toll and/or Long Distance Toll provider. After selecting your new local telephone provider, we suggest that you also contact your current regional toll and/or long distance service provider to ensure that your current regional toll and/or long distance calling plan is not changed as a result of your change in your local service provider. If you do not contact your regional toll and/or long distance provider, you may be charged basic rates (non-calling plan rates) for regional toll and/or long distance calls. **If Verizon Avenue is your regional toll and/or long distance provider, then you will need to select a new carrier. Subject to the approval of the [STATE Public Utilities Commission,] Verizon Avenue will not be providing regional toll or long distance services after May 1, 2006.**

If a deposit was required at the initiation of your service, deposits will be refunded at the time of disconnection. The deposit amount will be applied to the account balance (if any) and any remaining credit will be refunded via check.

Generally, you can find a list of most local telephone service providers in your local telephone directory. If you require assistance, please contact Verizon Avenue at 1-866-892-8368. Finally, if you no longer want local service, please contact us to disconnect your service.

Verizon Avenue regrets any inconvenience this change may cause you.

Sincerely,

Verizon Avenue Corp.
12901 Worldgate Drive
Herndon, VA 20170

FCC Required Notice: The FCC will normally authorize this proposed discontinuance of service (or reduction or impairment) unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments within 15 days after receipt of this notification. Address them to the Federal Communications Commission, Washington, DC 20554, referencing the §63.71 Application of Verizon Avenue Corp. Comments should include specific information about the impact of this proposed discontinuance (or reduction or impairment) upon you or your company, including any inability to acquire reasonable substitute service.
