RE: Superior Technologies, Inc. d/b/a Superior Spectrum, Inc.
Document #F01000002059

Dear Ms. Bayo,

Superior Technologies, Inc. d/b/a Superior Spectrum, Inc. is registered to do business in Florida as a foreign, profit corporation.

A purchase agreement for the sale of this company to TelNet Worldwide, Inc. was signed 12/30/05. The official sale of the company is pending FCC approval – anticipated date is 03/06/06. Because TelNet Worldwide, Inc. is not registered to do business in Florida it is necessary to request a withdrawal to do business in the state. We would like to request that our existing certificate of authority be cancelled.

We have contacted our Florida customers to request they find another carrier and that services with Superior Technologies, Inc. will be discontinued effective April 15, 2006.

Please contact me if any further information is required. Thank you for your assistance.

Sincerely,

Patsy Steele
