Re: Docket No. 030867
Compliance with Order No. PSC-03-1469-FOF-TL
SouthernNet Systems, Inc. (TI-907)
TTI National (TI508)

Dear Ms. Salak:

This letter is provided in response to your letters of January 13, 2006 sent to the above captioned companies.

Both of the above captioned entities are MCI (now Verizon) subsidiaries. As such, access savings attributable to their operations were included as part of the confidential supporting documentation filed by MCI on behalf of MCI Communications Services, MCI Network Services, Teleconnect Long Distance Services and Systems Company, and TTI National on October 31, 2005.

With respect to SouthernNet, it should be noted that SouthernNet and its sister company, Teleconnect Long Distance Services and Systems Company operated jointly under the Telecom*USA brand. SouthernNet has been merged out of existence and its customers and services are now part of Teleconnect Long Distance Services and Systems Company.

On October 27, 2005, the company filed tariff revisions in compliance with Order No. PSC-03-1469-FOF-TL for Teleconnect Long Distance Services and Systems Company. This filing thus encompasses SouthernNet customers as well.

On December 27, 2005, the company filed tariff revisions in compliance with Order No. PSC-03-1469-FOF-TL for TTI National. Unfortunately, the transmittal letter did not indicate this filing was a compliance filing. We apologize for that oversight.

I hope this letter addresses your concerns with respect to SouthernNet and TTI National. If you have any questions, please contact me at 813-483-1256.

Sincerely,

s/ Leigh A. Hyer
