Docket No. 060174-EG
Filed: March 14, 2006

FLORIDA POWER & LIGHT COMPANY'S PETITION FOR INTERIM EXTENSION OF RESIDENTIAL LOAD CONTROL PILOT PROJECT

Florida Power & Light Company ("FPL"), pursuant to Sections 366.82(2), 366.05, and 366.06, Florida Statutes, hereby petitions the Florida Public Service Commission ("Commission") to (a) extend FPL's Residential Load Control Pilot Project on an interim basis until FPL's Petition for Extension filed on March 1, 2006 can be ruled upon, and (b) allow FPL to continue to recover reasonable and prudent expenditures for FPL's Residential Load Control Pilot Project extension after approval through FPL's Energy Conservation Cost Recovery ("ECCR") Clause. Approval of FPL's interim petition will enable FPL to continue offering customers the rate approved by the PSC in Order No. PSC-03-0322-TRF-EG issued March 6, 2003 in Docket No. 030051-EG. It will provide the opportunity for additional customers to reduce their electric bills through participation in the On Call Program, as well as assist FPL in meeting its capacity needs as defined in FPL's Demand Side Management Plan. If the Commission ultimately does not approve FPL's Petition for Extension filed on March 1, 2006, FPL would make appropriate adjustments to customers' bills and ECCR clause accordingly.

WHEREFORE, FPL respectfully petitions the Commission to (a) approve the extension of FPL's Residential Load Control Pilot Project on an interim basis and (b) allow FPL to recover
