Re: BellSouth St. Johns Rate Center Realignment

Dear Ms. Southard:

By Order No. PSC-05-1123-PAA-TL, issued November 7, 2005, the Florida Public Service Commission (FPSC) approved a BellSouth petition to realign the boundaries of the St. Johns rate center and consolidate the Julington and St. Augustine rate centers with the St. Johns rate center. On February 24, 2006, BellSouth issued Carrier Notification letter SN91086037 which advised that an industry meeting would be held March 14, 2006 to discuss the realignments and rate center consolidations.

Although FPSC Order No. PSC-05-1123-PAA-TL approving BellSouth's petition did not provide for a specific implementation date, it is anticipated that the effective date will be June 4, 2006. To facilitate a smooth implementation, Telcordia may now proceed with the appropriate changes in the BIRRDs data systems. Please coordinate with Randall Hudson (205-977-7278), or David Ballantine (904-798-7922) of BellSouth regarding the details of these changes. Thank you for your cooperation in this matter.

Sincerely,

Robert J. Casey
