Re: Application of Biopass Medical Systems Inc. to Provide Shared Tenant Service within the State of Florida.

Dear Commission Clerk:

Please find enclosed and original and six (6) copies of the application of Biopass Medical Systems to Provide Shared Tenant Service within the State of Florida ("Application"). Also enclosed is a check for \$100 for the application fee.

Biopass Medical Systems Inc. requests confidential treatment of its proprietary financial information provided in response to question **19** of the Application. Biopass Medical Systems Inc. is privately held, and as such, its financial information is not otherwise available to the public. Thus, Biopass Medical Systems Inc. response to question **19** is filed concurrently with the application under seal. Only one copy of this information is provided to the Commission.

Sincerely,

Jay Brussels
President
Biopass Medical Systems, Inc.

****FLORIDA PUBLIC SERVICE COMMISSION****

**DIVISION OF COMPETITIVE MARKETS AND ENFORCEMENT
CERTIFICATION**

**APPLICATION FORM FOR AUTHORITY TO PROVIDE
SHARED TENANT SERVICE
WITHIN THE STATE OF FLORIDA**

Instructions

- ◆ This form is used as an application for an original certificate or for approval of the assignment or transfer of an existing certificate. In the case of an assignment or transfer, the information provided shall be for the assignee or transferee. No fee applies for approval of the assignment or transfer of an existing certificate to another certificated company.
- ◆ **Print or type** all responses to each item requested in the application. If an item is not applicable, please explain.
- ◆ Use a separate sheet for each answer which will not fit within the allotted space.
- ◆ Once completed, submit the original and six (6) copies of this form and a non-refundable **application fee of \$100.00** to:

**Florida Public Service Commission
Division of the Commission Clerk and Administrative Services
2540 Shumard Oak Blvd.
Tallahassee, Florida 32399-0850
(850) 413-6770**

NOTE: No filing fee is required for an assignment or transfer of an existing certificate to another company.

- ◆ If you have questions about completing the form, contact:

**Florida Public Service Commission
Division of Competitive Markets and Enforcement
Certification
2540 Shumard Oak Blvd.
Tallahassee, Florida 32399-0850
(850) 413-6600**

1. This is an application for (Check One):

Original Certificate

Approval of Transfer of Existing Certificate

Example: a non-certificated company purchases a certificated company and desires to retain the original certificate of authority.

Approval of Assignment of Existing Certificate

Example: a certificated company purchases a certificated company and desires to retain the certificate of authority of that company.

Approval of transfer of control

Example: a company purchases 51% of a certificated company. The Commission must approve the new controlling entity.

2. Name of company or name of individual (not fictitious name or d/b/a):

Biopass Medical Systems, Inc.

3. Name under which applicant will do business (fictitious name, etc.):

DSL Express

4. Official mailing address (including street name & number, Post Office Box, City, State, and Zip code):

6226 NW 84th Terrace, Parkland, FL 33067

Parkland, FL 33067

5. Florida address (including street name & number, Post Office Box, City, State, and Zip code):

6226 NW 84th Terrace

Parkland, FL 33067

6. Structure of organization:

- | | |
|--|---|
| <input type="checkbox"/> Individual | <input checked="" type="checkbox"/> Corporation |
| <input type="checkbox"/> Foreign Corporation | <input type="checkbox"/> Foreign Partnership |
| <input type="checkbox"/> General Partnership | <input type="checkbox"/> Limited Partnership |
| <input type="checkbox"/> Other: _____ | |

7. If individual, provide:

Name: _____

Title: _____

Address: _____

City/State/Zip: _____

Telephone No.: _____ Fax No.: _____

Internet E-Mail Address: _____

Internet Website Address: _____

8. If incorporated in Florida, provide proof of authority to operate in Florida:

(a) Florida Secretary of State Corporate Registration
Number: P99000090709

9. If a foreign corporation, provide proof of authority to operate in Florida:

(a) Florida Secretary of State Corporate Registration
Number: _____

Internet E-Mail Address: jay@dslx.net

Internet Website Address: http://www.dslx.net

(b) Official Point of Contact for ongoing company operations including complaints and inquiries:

Name: Kimberly Cancel

Title: Director of Operations

Address: 9720 W. Sample Road

City/State/Zip: Coral Springs, FL 33065

Telephone No.: 954-757-3254 Fax No.: 954-755-7790

Internet E-Mail Address: support@dslx.net

Internet Website Address: http://www.dslx.net

(c) Complaint/Inquiries from Customers:

Name: Kimberly Cancel

Title: Director of Operations

Address: 9720 W. Sample Road

City/State/Zip: Coral Springs, FL 33065

Telephone No.: 954-757-3254 Fax No.: 954-755-7790

17. List the states in which the applicant:

(a) has applications pending to be certificated as a shared tenant service provider.

None

(b) is certificated to operate as a shared tenant service provider.

None

(c) has been denied authority to operate as a shared tenant service provider and the circumstances involved.

None

(d) has had regulatory penalties imposed for violations of telecommunications statutes, rules, or orders and the circumstances involved.

None

(e) has been involved in civil court proceedings with an interexchange carrier, local exchange company or other telecommunications entity, and the circumstances involved.

None

18. Indicate if any officers, directors, or any of the ten largest stockholders have previously been:

(a) adjudged bankrupt, mentally incompetent, or found guilty of any felony or of any crime, or whether such actions may result from pending proceedings. If so, provide explanation:

None

(b) Officer, director, partner or stockholder and any other Florida certificated telephone company. If yes, give name of company and relationship. If no longer associated with company, give reason why not.

None

19. Submit the following:

A. Managerial Capability

Give resumes of employees and officers of the company that would indicate sufficient managerial experiences of each.

B. Technical Capability

Give resumes of employees and officers of the company that would indicate sufficient technical experience or indicate what company has been contracted to perform technical service.

C. Financial Capability

The application must contain the applicant's audited financial statements for the most recent 3 years. If the applicant does not have audited financial statements, it shall so be stated.

The unaudited financial statements must be signed by the applicant's chief executive officer and chief financial officers affirming that the financial statements are true and correct and must include:

1. the balance sheet,
2. income statement, and
3. statement of retained earnings.

NOTE: This documentation may include, but is not limited to, financial statements, a projected profit and loss statement, credit references, credit bureau reports, and descriptions of business relationships with financial institutions.

Further, the following (which includes supporting documentations) must be provided:

1. A written explanation that the applicant has sufficient financial capability to provide the requested service in the geographic area proposed to be served.
2. A written explanation that the applicant has sufficient financial capability to maintain the requested service.
3. A written explanation that the applicant has sufficient financial capability to meet its lease or ownership obligations.

****APPLICANT ACKNOWLEDGMENT STATEMENT****

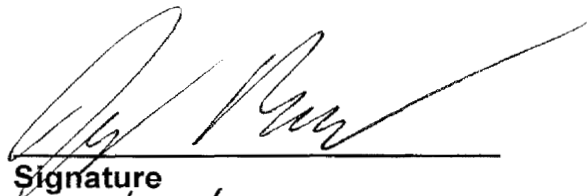

1. REGULATORY ASSESSMENT FEE: I understand that all telephone companies must pay a regulatory assessment fee in the amount of **0.15 of one percent** of the gross operating revenue derived from intrastate business. Regardless of the gross operating revenue of a company, a minimum annual assessment fee of \$50 is required.
2. APPLICATION FEE: I understand that a non-refundable application fee of **\$100.00** must be submitted with the application.

AFFIDAVIT

By my signature below, I, the undersigned officer, attest to the accuracy of the information contained in this application and attached documents and that the applicant has the technical expertise, managerial ability, and financial capability to provide shared tenant service in the State of Florida. I have read the foregoing and declare that, to the best of my knowledge and belief, the information is true and correct. I attest that I have the authority to sign on behalf of my company and agree to comply, now and in the future, with all applicable Commission rules and orders.

I will comply with all current and future Commission requirements regarding shared tenant services. I understand that I am required to pay a regulatory assessment fee (minimum of \$50.00 per calendar year) and pay gross receipts tax. Furthermore, I agree to keep the Commission advised of any changes in the names or addresses listed in the application within 10 days of the change.

Further, I am aware that, pursuant to Chapter 837.06, Florida Statutes, "Whoever knowingly makes a false statement in writing with the intent to mislead a public servant in the performance of his official duty shall be guilty of a misdemeanor of the second degree, punishable as provided in s. 775.082 and s. 775.083."

Jay Brussels

Experience

Biopass Medical Systems, Inc. D/B/A DSL Express October 1999-present
President

- Built business to service over 2,000 customers including City Governments, Financial Institutions, Manufacturing, Health Care and Transportation sectors by providing World-Class Customer service.
- Designed a high-reliability ATM & IP Network with redundant Fiber Optic Connections to BellSouth Central Offices in Ft. Lauderdale and Miami.
- Entered into Wholesale Agreements with BellSouth, Covad and New Edge Networks to provide DSL & T-1 service.
- Completed contract to provide High-Speed DSL and T-1 service to Continental Airlines for wireless service in their Presidents Clubs throughout the U.S.
- Deployed Metro-Ethernet Connections to several companies enabling WAN data rates to 100Mbps.
- Designed SQL Server based database to track network performance, MTTR and installation performance.
- Selected to FISPA Vendor Committee to negotiate Wholesale DSL Contract for over 250 ISP members with BellSouth.

Comtec Systems, Inc., Pompano Beach, Florida January 1987-October 1999
Director of Engineering

- Managed engineering department comprised of 16 engineers including hardware, software and mechanical engineers. The department is also comprised of printed circuit board designers, document control personnel, technicians and a regulatory specialist.
- Generated project specifications, quotations, timelines and manpower requirements.
- Successfully managed over 120 products from concept to production over a 13-year period.
- Implemented the ISO9001-1 Quality System including the software design directive of ISO9004.
- Implemented FDA Quality System Regulations relating to design control.
- Extensive design experience in microprocessor based systems, including Motorola, Intel, Microchip, Atmel, Phillips and Echelon.

- Expert in medical electronics design, industrial controllers, communication systems, power supplies, analog circuitry, programmable gate arrays, system integration and packaging.
- Expert in EMI, ESD and EMC design and IEC-1000 compliance.
- Knowledgeable in software development procedures including ISO9004 and IEC601-1-4.
- Successfully designed many products to meet the stringent United States and International safety requirements of UL2601, UL544 and IEC-601-1.
- Attended IEC601-1 medical device development conferences, FDA medical device software design and development conferences, as well as many manufacture-sponsored conferences and seminars throughout my career.
- Knowledgeable in the requirements of international marketing of electronic and medical equipment, including the CE mark and the requirements of the European Union.

CEECO, Plantation, Florida

March 1984-January 1987

Chief Engineer

- Managed engineering department of five.
- Designed first credit card/coin telephone now commonly used in airports throughout the world.
- Designed central office equipment to handle coin and credit card telephones.
- Developed the first microprocessor based telephone used for automatic dialing, 911-dialing, for use in the Federal Prison System and fraud prevention.

Patents

- **4,672,661** Credit card telephone station.
- **4,731,818** Self-computing credit card telephone paystation method and system.
- **6,381,153** Method and apparatus of EMI filtering.

Education

University of Miami, Coral Gables, Florida

1979-1984

- Bachelor of Science in Electrical Engineering

Resume

Kimberly Cancel

Biopass Medical Systems D/B/A DSL Express
Director of Operation

2000- Present

- Oversee the Accounting, Customer Service and Technical Support
- Directed team of Network and VOIP Engineers charged with designing, engineering, and generating detailed Engineering Design Packages for installation, deployment, and monitoring of CISCO and other networking and VOIP equipment.
- Planned workloads and monitored project progress to meet internal and external customer requirements.
- Trained and mentored staff, continuously evaluating performance and providing feedback.
- Developed and implemented security management, backup administration, data protection, and recovery and standards for the data and voice systems and software.
- Designed, tested, installed, and configured network and VOIP software/hardware.
- Diagnosed and resolved complex network problems utilizing network analyzers, sniffers, and other troubleshooting tools.
- Coordinated and performed VPN, Frame Relay and firewall activations.
- Tested and evaluated various equipments, systems, IOSs and procedures for use within network.
- Ordered, provisioned, and documented circuits for data and voice networks.
- Oversee or assist in creating and maintaining graphical and text-based network and VOIP documentation and standards development.
- Evaluated new and existing network and VOIP software and hardware to enhance network environment and meet future needs.
- Determined root cause of production and development problems, made corrections, and documented issue.
- Renegotiated contract, resulting in additional \$1 million in annual savings for new 3-year contract.
- Published new company telephone directory.
- Identified opportunities to streamline and automate maintenance processes.

Comtec Systems, Inc.

1997-1999

Network Administrator

- Site Manager responsible for maintaining network communications and end user support.
- Supported the local intranet consisting of switches, router, servers and fiber optic routers.
- Assisted the accounting department with invoicing, inventory of all the computer equipment.
- Installed and upgraded the computer and made them 2000 compatible.
- Create and restored backups.
- Create and configure security logging, database roles and permission.
- Create and configure databases maintenance plans. Installed, configured, and troubleshoot routers.
- Provide support for over 25 different software applications such as Windows 2000/XP, Microsoft Office, Visio, and Acrobat Professional.
- Responsible for building and configuring new workstations and servers as needed.
- Conducted various scans of entire network to identify vulnerabilities and take steps to mitigate threats through software updates, hardware upgrades, and changes to current network policy.
- Assisted with the operation of Symantec Anti-virus servers, as well as reporting analysis of continual infections, in order to correctly configure firewall and Intrusion Detection Systems

Aquaflex
