RE: Docket No. 060186-TC - Request for cancellation of PATS Certificate No. 8352 by
E-Cyberkey, LLC, effective December 31, 2004. *VSM*

On March 2, 2006, Mr. Dale McCarthy, Managing Member, called and stated that after he and his partner, Gordon Edward Welch, lost not only their payphones but their homes in Hurricane Ivan, he called the Commission about cancelling his payphone certificate. He was told by the PSC Staff member (he does not remember who he called or the telephone number dialed) to just write a note on his 2004 RAF return. He did that and filed the return, along with payment by the due date, and was under the impression that his pay telephone certificate would be cancelled. Unfortunately, technical staff was not provided a copy of the 2004 return, therefore, a docket was not established at that time to cancel E-Cyberkey's payphone certificate.

E-Cyberkey, LLC has requested cancellation of Pay Telephone Certificate No. 8352, effective December 31, 2004. The certificate holder has complied with the provision of Rule 25-24.514(2), Florida Administrative Code, by providing adequate notice in writing of its request for cancellation of its certificate. In addition, E-Cyberkey, LLC paid the 2004 Regulatory Assessment Fee.
