Retain these three. Most likely we will return to source once the orders have been issued. I thought I had changed it, so very sorry that I didn't.

I rec'd. the Jan/Feb. monthly report and i am having a problem with one docket.

On the Cover memo (DN 02485-06), it says to retain Confidential Documents 09957-05, 10218-05, and 10892-05....but on the actual report, it says to return to the sources (per J. Bates).

Should Confidential Documents 09957-05, 10218-05, and 10892-05 be retained with the Commission or returned to the sources ?

Marguerite.
