Concise explanation, justification or comments (attach additional sheet if necessary):

Pursuant to Section 367.031, F.S., the statutory deadline for ruling on this application for original certificate is April 4, 2006. However, the Forest Mere Homeowners Association (Homeowners), served by Gistro, Inc. (Gastro or utility), has requested a postponement of this item in order to enable the Homeowners more time to study staff's recommendation. In response to that request, the utility has waived of the statutory deadline up until the July 18, 2006 agenda in order to allow the Homeowners additional time to have questions answered by staff and also to allow the utility time to provide additional information relating to the rate base issue in the staff recommendation. Staff recommends granting the deferral requests up to the July 18, 2006 agenda.
