Re: Docket No. 050960-TP (Request for Cancellation of CLEC
Certificate and IXC Registration)

Dear Ms. Bayó:

On behalf of our client, U.S. TelePacific Corp. d/b/a TelePacific Communications (the "Company"), we are submitting, by overnight express delivery addressed to Fiscal Services, Regulatory Assessment Fee returns and a check in the amount of \$112.00 in payment of the overdue minimum fees, late payment penalties, and interest payments that are owed by the Company, as noted in Order No. PSC-06-0224-PAA-TP. Copies of these documents are attached.

The Company has been undergoing internal personnel changes during the past several months and, despite the Commission's notifications, believed that the returns and payments had already been submitted. The Company apologizes for the inconvenience caused by this error.

With the filing of these returns and payment of the fees, it is our understanding that the Company is now in a position where its request for voluntary cancellation of CLEC Certificate No. 7493 and IXC Registration No. TJ376 can be granted. Accordingly, we respectfully ask that the Commission not go forward with the action proposed by Order No. PSC-06-0224-PAA-TP and, instead, grant the Company's request for voluntary cancellation of its operating authorities.
