Filed: April 5, 2006

SMART CITY TELECOM AND FRONTIER COMMUNICATIONS'
REQUEST FOR SPECIFIED CONFIDENTIAL CLASSIFICATION

Smart City Telecommunications, LLC d/b/a Smart City Telecom and Frontier Communications of the South, LLC ("Frontier Communications"), by and through their undersigned counsel, and pursuant to Rule 25-22.006, Florida Administrative Code, and Section 364.183, Florida Statutes, file this Request for Specified Confidential Classification, and state as follows:

confidential business information provided in response to the Small LECs' Response to Staff Document Request No. 1.

3. Section 364.183, Florida Statutes, provides an exemption from the public disclosure requirements of Section 119.07, Florida Statutes, for "proprietary confidential business information." Under Section 364.180(3)(e), Florida Statutes, "proprietary confidential business information" includes "[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information. In this case, the information provided by Smart City Telecom and Frontier Communications reflects:

- (a) Total minutes of use to facility-based CLECs;
- (b) Total minutes of use to meet point billed CMRS providers;
- (c) Total originated transit traffic minutes of use;
- (d) BellSouth's estimated percent local usage factor;
- (e) Total transit traffic local minutes of use; and
- (f) Monthly transit payments to BellSouth commencing February 11, 2005 through January 31, 2006.

4. The information described above provided in response to Staff Document Request No. relates to the competitive interests of Smart City Telecom and Frontier Communications and the public disclosure of such information would impair the competitive business of each such provider and provide a competitive advantage to competitors in the local exchange telecommunications services market. Smart City Telecom and Frontier Communications maintain that this information is proprietary confidential business information which, if publicly disclosed, could be used by competitors to harm the competitive interests of these carriers. The information for which

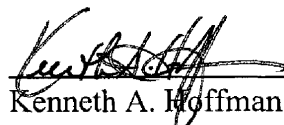

confidential classification is sought is intended to be and treated as private and confidential by Smart City Telecom and Frontier Communications, respectively, and has not been disclosed publicly or otherwise. Accordingly, the information should be determined to be proprietary confidential business information pursuant to Section 364.183(3)(e), Florida Statutes, exempt from the public disclosure requirements of Section 119.07, Florida Statutes.

5. Attached as Attachment A are two copies of the redacted versions of Smart City Telecom's and Frontier Communications' responses to Staff's Document Request No. 1 included in Staff's First Request for Production of Documents.

6. Attached as Attachment B to the Request for Specified Confidential Classification are highlighted copies of the same documents containing the confidential information.

WHEREFORE, for the foregoing reasons, Smart City Telecom and Frontier Communications respectfully request that, pursuant to Section 364.183, Florida Statutes, the Commission enter an Order declaring the information described above to be proprietary confidential business information that is not subject to public disclosure.

Respectfully submitted,
