Dorothy, this adoption includes all the elements - IURC - but the letter didn't include the unbundling element. Please add it to the elements in the docket title. The underlying docket, Docket No. 031047-TP, included the interconnection, unbundling, resale and collocation elements.

Also, they still need to file a corrected letter that indicates they did not (were not) enclose (ing) a copy of the underlying agreement.
