RE: Docket No. 060349-WU - Application for a staff assisted rate case by Venture Associates Utilities, Corp.

On April 18, 2006 staff sent Venture Associates Corporation a letter denying their application for a staff assisted rate case. We find pursuant to Section 367.0814(1), Florida Statutes, the utility is not eligible for the staff assisted rate case (SARC) filing. Venture is considered a Class B utility by National Association of Regulatory Utility Commissioners (NARUC) with annual revenues between \$200,000 and \$1,000,000. Therefore, is not eligible for a SARC because the utility's gross revenues are above \$150,000.

The utility has not paid a filing fee. There has been no agency action taken and staff has determined there are no pending issues that need to be addressed by the Commission. Therefore, pursuant to 2.07-C.2.c., Administrative Procedures Manual, this docket may be closed.
