Is should be 08/03/06, but I don't think it will be necessary to make an oral modification.

Subject: 060431 rec
Importance: High

There is a 9/2/05 critical date on the first page of this rec. That's not right, right?

Please advise what the correct date should be and we'll show it correctly on the agenda page.

However, you'll need to get permission to make an oral modification at the agenda.

Kay

Please note: Florida has a very broad public records law. Most written communications to or from state officials regarding state business are considered to be public records and will be made available to the public and to the media upon request.
