Concise explanation, justification or comments (attach additional sheet if necessary):

Docket No. 060172-EU – Proposed rules governing placement of new electric distribution facilities underground, and conversion of existing overhead distribution facilities to underground facilities, to address effects of extreme weather events.

Docket No. 060173-EU – Proposed amendments to rules regarding overhead electric facilities to allow more stringent construction standards than required by National Electric Safety Code.

Staff needs more time to finalize this controversial recommendation.
