Docket No. 060296-TP - Referral by the Circuit Court of Baker County, Florida to determine whether or not Southeastern Services, Inc. is legally responsible for payment to Northeast Florida Telephone for originating intrastate access charges under Northeast Florida Telephone's Public Service Commission approved tariff for the long distance calls provided by Southeastern Services, Inc. as alleged in the Amended Complaint.

Room 262, Gerald Gunter Building
2540 Shumard Oak Boulevard

The purpose of this meeting is to identify and discuss the issues involved in these dockets. Parties are advised that the issues in this proceeding will be limited to those issues raised in the Amended Complaint, the response, and the issue on referral by the circuit court.

Parties are reminded that it is the responsibility of the parties themselves to present evidence sufficient to support their case. It is not the responsibility of Commission staff to build the record for the parties. As such, the parties should be advised that, to the extent that they do not present evidence sufficient to provide a basis for a Commission decision on an issue, Commission staff may recommend that the Commission dismiss that issue because the record is inadequate or insufficient.
