Thanks ma'am.

Also, I just noticed another error. Can you please change "KMC Data, V" to "KMC Telecom V, Inc."? The agreement being adopted, 00469-TP, is between KMC Telecom V, Inc. and BellSouth.

Dorothy,

The letter for the above adoption includes "with modifications", but it does not appear any modifications were made (in this adoption) to the underlying agreement. The underlying agreement *has* had amendments but they are incorporated into the adoption by reference.

Because of the above, please change the docket title to remove "with modifications" and remove the "statutory deadline" event since this code is unnecessary in a pure adoption.

Robyn, F Y I.
