Issue 2: Should the Commission file comments with the Federal Communications Commission in WC Docket No. 06-74, In Re: AT&T Inc. and BellSouth Corporation Applications for Approval of Transfer of Control?

Recommendation: Yes. Staff recommends that the Commission file comments, as provided in Attachment A of staff's June 12, 2006 memorandum, to the Federal Communications Commission in WC Docket No. 06-74.

APPROVED

with the oral modification by staff that this issue is not PAA and that the language in the recommendation should not be contained in the subsequent order, with addition of language to the first paragraph of the comments to be filed with the FCC, and with the deletion of language in the last paragraph of the comments.

Issue 3: Should this docket be closed?

Recommendation: The Order issued from this recommendation will become final and effective upon issuance of a Consummating Order, unless a person whose substantial interests are affected by the Commission's decision files a protest that identifies with specificity the issues in dispute, in the form provided by Rule 28-106.201, Florida Administrative Code, within 21 days of the issuance of the Proposed Agency Action Order. If the Commission's Order is not protested this docket should be closed upon issuance of the Consummating Order.
