STATUS REPORT

To the Creditors:

You will recall CMA last reported the Assignee and the Commonwealth of Pennsylvania-Department of Revenue had reached a settlement in principle regarding payment of the Department's claim.

A dispute has arisen regarding the Department's timing of its acceptance of the settlement and payment amount. The Assignee asserts the Department failed to respond in a timely fashion to the settlement offer, causing the Assignee to incur additional legal fees which reduced the funds available for settlement. A Case Management Conference has been scheduled in August.

Creditors are requested to advance their files to the latter part of October for an update. You will be advised if any significant developments occur in the interim.
