I called the telephone number on the check and it was for Fidelity National Financial. I was transferred to two different people. A third person just called me back and said that the check was for MGEN Services Corp. - TJ782. Please credit \$84.02 as late payment charges for 2005 and deposit as you normally would. Please deposit \$200 in the PSC Trust Fund for collection costs and the balance of \$300 in the General Revenue Fund. Please provide Records proof of payment for Docket No. 060466-TI.
