Docket No.: 060001-EI  
Date: September 11, 2006

**REQUEST FOR EXTENDED CONFIDENTIAL CLASSIFICATION**

GULF POWER COMPANY (“Gulf Power”, “Gulf”, or the “Company”), by and through its undersigned attorney and pursuant to Rule 25-22.006, Florida Administrative Code, hereby files a request that the Florida Public Service Commission enter an order extending the confidential classification for certain portions of Schedule 2 of Exhibit HRB-1 to the testimony of Herbert R. Ball dated March 1, 2005. As grounds for this request, the Company states:

1. On March 1, 2005, Gulf filed its initial Request for Confidential Classification of certain portions of Schedule 2 of Exhibit HRB-1 to the testimony of Herbert R. Ball dated March 1, 2005. (the “confidential documents”).
2. On March 15, 2005, the Commission entered an order granting Gulf Power’s request. PSC-05-0280-CFO-EI.
3. As provided in Section 366.093(4) and by the Commission’s order, the confidential documents will be made public after a period of 18 months unless Gulf or another affected party shows, and the Commission finds, that the confidential documents continue to contain proprietary confidential business information.
4. Gulf hereby requests that the Commission enter an order extending the confidential classification of the confidential documents for an additional 18 month period.
5. The confidential documents are entitled to continued confidential classification for the same reasons they were initially classified. As stated in Gulf’s initial Request, the confidential documents contain proprietary and commercially sensitive information regarding

competitive interests, trade secrets and contractual matters of Gulf Power, which if disclosed to the general public, would cause irreparable harm to Gulf Power and its customers. This information is entitled to continued confidential classification pursuant to §366.093(3)(a),(d) and (e), Florida Statutes.

Specifically, the confidential documents provide details about the types of hedging instruments and various contract terms utilized in Gulf's hedging activities including specific cost information. Disclosure of this information would adversely affect Gulf's ability to conduct its hedging activities to the benefit of its customers and would impair Gulf's ability to enter into contracts for the benefit of its customers.

6. The information filed pursuant to this Request is intended to be, and is treated as, confidential by the Gulf Power and has not been otherwise publicly disclosed.

7. Submitted as Exhibit "A" are copies of the confidential documents. The portions for which confidential classification is sought are highlighted in yellow. Exhibit "A" should be treated as confidential pending a ruling on this request. Attached as Exhibit "B" are two (2) edited copies of the confidential documents which may be made available for public review and inspection. Attached as Exhibit "C" to this request is a line-by-line/field-by-field justification for the request for confidential classification.

WHEREFORE, Gulf Power Company respectfully requests that the Commission enter an order protecting the information highlighted on Exhibit "A" from public disclosure as proprietary confidential business information.

Respectfully submitted this 11<sup>th</sup> day of September, 2006
