Docket No.: 060001-EI  
Date: September 11, 2006

**REQUEST FOR CONFIDENTIAL CLASSIFICATION**

GULF POWER COMPANY ["Gulf Power", "Gulf", or the "Company"], by and through its undersigned attorneys and pursuant to Rule 25-22.006, Florida Administrative Code, hereby files a request that the Florida Public Service Commission enter an order protecting from public disclosure certain information submitted by Gulf Power in response to requests numbered 2 and 4 of Commission Staff's First Data Request. As grounds for this request, the Company states:

1. A portion of the information submitted by Gulf Power in response to requests numbered 2 and 4 of Commission Staff's First Data Request is proprietary confidential business information regarding contractual matters which would cause irreparable harm to Gulf Power, the entities with whom it has entered into contracts and most importantly to Gulf's customers if such information were disclosed to the general public. The information is entitled to confidential classification pursuant to §366.093(3) (d) and (e), Florida Statutes. Specifically, the confidential information consists of a contract for storage of natural gas and invoices containing pricing information for gas storage. The contract is subject to a confidentiality provision and is therefore regarded by Gulf and the counterparty as confidential in its entirety. *See* Contract Exhibit B, Section XVII F. Disclosure of this information would negatively impact Gulf's ability to negotiate pricing favorable to its customers in the future. In addition, potential counterparties may refuse to enter into contracts with Gulf or would charge higher prices if the contract terms were made public.

2. The information filed pursuant to this Request is intended to be, and is treated as, confidential by the Gulf Power and has not been otherwise publicly disclosed.

3. Submitted as Exhibit "A" are copies of the subject documents, on which is

highlighted the information for which confidential classification is requested. Exhibit "A" should be treated as confidential pending a ruling on this request. Attached as Exhibit "B" are two (2) edited copies of the subject documents, which may be made available for public review and inspection. Attached as Exhibit "C" to this request is a line-by-line/field-by-field justification for the request for confidential classification.

WHEREFORE, Gulf Power Company respectfully requests that the Commission enter an order protecting the information highlighted on Exhibit "A" from public disclosure as proprietary confidential business information.

Respectfully submitted this 11<sup>th</sup> day of September, 2006.
