Kay, I finally heard back from Verizon regarding this "informational" filing. After discussing with the company and Sally, I've determined this should be moved from the undocketed folder and docketed as an amendment. After it's docketed, I will prepare a CASR with dates based on the date of receipt.

Please let me know if you need anything else.

Jeff, please take a look at the attached filing from Verizon. We're placing it in the undocketed since that seems to be what Mr. O'Roark wishes for us to do with it. Please let me know if we need to do otherwise.

Thanks.

Kay
