REQUEST FOR SPECIFIED CONFIDENTIAL CLASSIFICATION**

BellSouth Telecommunications, Inc. ("BellSouth"), pursuant to Rule 25-22.006, Florida Administrative Code and Section 364.183, Florida Statutes, files this Request for Specified Confidential Classification.

1. On September 14, 2006, the Florida Public Service Commission issued an Audit Request to BellSouth requesting confidential and proprietary information consisting of a list of CLECs that BellSouth has access agreements with and the number of wholesale lines for each as of June, 2006.

2. On or about September 15, 2006, in response to the Audit Request, BellSouth objected to producing the proprietary and confidential information because pursuant to Florida Statutes § 364.24, a "telecommunications company shall not intentionally disclose customer account records except as authorized by the customer or as necessary for billing purposes, or required by subpoena, court order, other process of court, or as otherwise allowed by law."

3. On September 18, 2006 the Staff of the Florida Public Service Commission ("Staff") issued a Subpoena to BellSouth requesting this proprietary information.

4. On September 21, 2006 BellSouth Telecommunications, Inc. provided the list of CLECs and the number of wholesale lines for each CLEC. Because the information provided in BellSouth's response contains confidential and proprietary information, BellSouth is now filing this Request for Specified Confidential Classification pursuant to Section 364.24 and Section
