**RE:** Four Points Utility Corporation's Request for Confidential Classification of the updated Version of the Documents Filed as Exhibit "C" and for the Return of the Original Exhibit "C" Documents in Docket No. 060405-TS. *[Signature]*

On August 23, 2006, Four Points Utility Corporation (Four Points) filed a request for confidential classification of an updated version of the financial statement filed as Exhibit "C" and for the return of the original financial statement that was filed. The company originally filed the Exhibit "C" documents (Document Number 06915-06), which consisted of a balance sheet and a financial statement, as confidential on August 2, 2006. The company has requested that the balance sheet no longer be classified as confidential and that the original financial statement be returned. Upon review of the updated financial statement, staff concurs with Four Points that the highlighted information specified in the document meets the requirements pursuant to Section 364.183, Florida Statutes, and Rule 25-22.006(5), F.A.C., and the information should be treated as confidential. Staff also agrees that the original financial statement in Document Number 06915-06 should be returned to the company and that the balance sheet should no longer be classified as confidential.
