**SUPPLEMENTAL AFFIDAVIT OF GERARD YUPP SUPPORTING REQUEST FOR
CONFIDENTIAL CLASSIFICATION OF INFORMATION PROVIDED
IN RESPONSE TO STAFF DATA REQUESTS 1 AND 8**

BEFORE ME, the undersigned authority, personally appeared Gerard Yupp who, being first duly sworn deposes and says:

1. My name is Gerard Yupp I am currently employed by Florida Power & Light Company ("FPL") as Director of Wholesale Operations in The Energy Marketing and Trading Division. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed the documents and information for which I am listed as an affiant in Exhibit C and which are included in Exhibit A to FPL's Request for Confidential Classification of Certain Information responsive to Staff Data Requests 1 and 8. The documents that FPL asserts to be confidential contain contractual data and, in particular, information relating to the competitive interests of FPL, Bay Gas Storage Company, LTD. ("Bay Gas") and Falcon Gas Storage, Inc. ("MoBay"). The disclosure of this information would impair the ability of FPL and these parties to contract on favorable terms in the future. Specifically, FPL is providing contractual data that contains pricing information, non-price terms and Conditions Precedent. The particular contractual terms that FPL asserts to be confidential are not standard for all potential customers and contracts. Therefore, FPL had to negotiate the pricing, non-price terms and Conditions Precedent that are contained in its contracts. FPL was able to negotiate favorable terms on behalf of its customers. The disclosure of FPL's contractual terms could detrimentally affect these parties' current and future negotiations with other potential customers and this, in turn would impact FPL's ability to negotiate with these and other counterparties in future business dealings. To the best of my knowledge, FPL and its counterparties have maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative code, such materials should remain confidential for a period of eighteen (18) months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
