Re: Filing Service Agreement for Southlake Utilities, Inc.

Dear Ms. Bayo:

Pursuant to Rule 25-30.550, Florida Administrative Code, Southlake Utilities, Inc. ("Southlake"), hereby files with the Florida Public Service Commission ("Commission") the following agreement:

Polk County / Southlake Utilities, Inc. Wholesale Wastewater Agreement

Please be advised this is a special Agreement to provide temporary wastewater service to Polk County, Florida. This Agreement is for a period of five (5) years until Polk County has completed a wastewater plant expansion to provide service in its territory with adequate facilities.

Polk County has requested that 95,000 gallons of treatment be reserved in yearly allocations of 15,000 gallons beginning in 2007 and a final allocation of 20,000 gallons in the year of 2012, if necessary.

Southlake Wastewater Treatment Plant has a capacity of 1.115 MGD AADF and the current 3 month average daily flow is 0.754 MGD.

Southlake has filed a replacement tariff with the Commission. Unlike its previous tariff, the new tariff does not include a standard agreement in the service availability policy section of the tariff. The enclosed agreement is not based upon the old agreement, but upon the replacement tariff and the Commission's orders changing Southlake's service availability charges, including changes to plant capacity charges and Allowance for Funds Prudently Invested Charges.

Please call me at (352) 636-8072 if you have any questions.

CMP Sincerely,
