Okay. We should not have opened the docket (our error) so I will prepare a memo to Hong to close it, opened in error, and move the letter to 060462.

Thanks.

Kay, this docket should not have been established. This letter needs to be documented in 060462-TX as a response to the Order. Thanks.

You are correct. You can consider the latest filing a response to the compliance docket. Nothing more to do than show a cancellation date in MCD for his certificate. At least he paid the RAF so nothing to collections.

Ray, in my opinion a docket should not have been opened. They were fined in 060462-TX. Both you, me, and David Brown have had contact with Mr. Falany and he's just waited too long to be granted a voluntary cancellation unless he pays the \$500, which I doubt he will do at this point. Please review and advise.
