Re: Docket No. 030961-TI

Dear Ms. Salak:

On October 30, 2006, Verizon Select Services Inc. (VSSI) filed tariff revisions in accordance with the Florida Public Service Commission's order of December 24, 2003 in the above docket. The transmittal letter contained proprietary revenue information. Certain workpapers illustrating the amount that VSSI is required to flow through in annual revenues were also included in the filing. Please be advised that VSSI considers the revenue information in the transmittal letter and the workpapers to be confidential proprietary business information.

Any questions you may have regarding this issue may be directed to my attention at 850-224-3963.

Sincerely,

A handwritten signature in black ink, appearing to read "David M. Christian".
