Please give this filing a docket number with today's date. Print and use this e-mail as the "initiating document" for the new docket.

Thanks.

Kay, this document was filed in Docket No. 040130. I believe it should have been set up as a new docket. Please advise.

I have a document with the number of 10328, received on November 8. Maybe I missed something, but I can't find a docket number on it, or find it in the undocketed file.

The document is an amendment between BellSouth and NuVox Communications.
