Subject: Docket No. 060725-TP

Kay,

After reviewing the companies' request in Docket No 060725-TP, I have determined that the request pertains only to long distance customers and company codes TJ917 and TK011, so the Docket suffix should be changed to -TI and the MCD reference to it in the "Related Dockets" tab for TX853 should be removed.

Thanks.

Melinda
