4. AUF provides water and wastewater service in eighty service areas (56 water and 24 wastewater service areas) in 15 counties pursuant to certificates issued by the Commission. As a result of a recent corporate reorganization, AUF became the sole share holder of the eighty Commission-regulated water and wastewater systems that are the subject of this Application. AUF's corporate reorganization was acknowledged by the Commission in Order No. PSC-06-0973-FOF-WS issued November 22, 2006, in Docket No. 060643-WS, effective November 22, 2006.

5. Attached hereto as **Exhibit "A"** is a list of each system organized by county showing with the number of the last Commission docket and Order in which the rates for each system were previously established and/or approved by the Commission.

6. Attached hereto as **Exhibit "B"** is a list of addresses of each location within each county affected by this Application where the Application and supporting documents will be available for customer inspection during the time the rate case is pending. A copy of this Application and supporting documents will also be made available for public inspection at AUF's local offices during regular business hours at the following addresses:

Aqua Utilities Florida, Inc.  
6960 Professional Parkway East  
Sarasota, Florida 34240  
(941) 907-7400

Aqua Utilities Florida, Inc.  
1100 Thomas Avenue  
Leesburg, Florida 34748  
(352) 787-0980

7. An affidavit signed by John M. Lihvarcik, the Vice President and Chief Operating Officer of AUF, stating that the Applicant will comply with the noticing

requirements set forth in Rules 25-22.0407 and 25-30.4345, Florida Administrative Code, for applications for water and wastewater rate increases, increased or revised service availability charges, and approval of AFPI charges is attached hereto as **Exhibit "C"**.

8. AUF requests that this Application be scheduled for a formal administrative hearing rather than the Proposed Agency Action procedure outlined in Section 367.081(8), Florida Statutes.

9. Two checks in the amount of \$9,000 and \$4,500 accompany this Application as the filing fees required by Section 367.091(6), Florida Statutes, and Rule 25-30.020, Florida Administrative Code, for AUF's requests for increased water and wastewater rates and increased or revised service availability charges, respectively.

10. Except as may be specifically identified herein, AUF does not know of any manner in which this Application deviates from the policies, procedures or guidelines prescribed by relevant rules.

11. There has been no new land recorded on AUF's books since rate base was last established for each of the eighty systems through various Commission Orders.

## **II. APPLICATION FOR INCREASE IN RATES**

12. Sixteen copies of AUF's Financial, Rate and Engineering Minimum Filing Requirements ("MFRs"), in accordance with Rule 25-30.437, Florida Administrative Code and Form PSC/ECR 19, have been filed contemporaneously herewith. Attached hereto as **Exhibit "D"** is an Index to the MFRs.

13. Sixteen copies of the Direct Testimonies of AUF's witnesses Robert M. Griffin, Gerard P. Connolly, Jr., Jack Schreyer, John M. Lihvarcik, Stephen Anzaldo, Gary C. White and John F. Guastella filed in support of this Application and MFRs in

accordance with Rule 25-30.436(2), Florida Administrative Code, have been filed contemporaneously herewith.

14. One copy of a detailed map per water and wastewater system, showing the location and size of each system's distribution and collection lines, its plant sites, and the location and respective classification of each system's customers, are labeled Volume V to the MFRs and filed herewith pursuant to Rule 25-30.440(1), Florida Administrative Code.

15. Two copies of Volume VI to the MFRs containing the Additional Engineering Information required by Rule 25-30.440(2) – (10), Florida Administrative Code, are included with the MFRs filed herewith.

16. Two copies of Volume VII to the MFRs containing Schedule E-14, entitled Billing Analysis Schedules as required by Rule 25-30.437(4), Florida Administrative Code, are included with the MFRs filed herewith.

### **III. INTERIM RATES**

17. Pursuant to Section 367.082, Florida Statutes, AUF also seeks the authority to collect interim rates until the effective date of the Commission's Final Order on AUF's Application for increase in rates. AUF's request for interim rates is based on the historic test year ended December 31, 2005. In accordance with Rule 25-30.437(5), Florida Administrative Code, included with the MFRs filed herewith, AUF has submitted schedules reflecting rate base, cost of capital, and net operating income on an historical basis, with schedules of all adjustments thereto, supporting the granting of interim rates. These schedules demonstrate that AUF is earning below its range of reasonable return as calculated in accordance with Section 367.082(5), Florida Statutes, AUF hereby waives

the 60-day statutory requirement for the Commission to rule on its request for interim rates up to and until February 13, 2007.

**IV. SERVICE AVAILABILITY AND AFPI CHARGES**

18. Pursuant to Section 367.101, Florida Statutes and Rules 25-30.565 and 25-30.434, Florida Administrative Code, AUF also requests the approval of increased or revised service availability charges for all of the systems included in this Application, and AFPI charges for certain systems located in Highlands, Lake, Polk, Putnam, Seminole, Sumter, and Washington Counties.

19. Attached hereto as **Exhibit "E"** is a list of each system organized by county, along with the number of the last Commission docket and Order, if any, in which the service availability charges for each system was previously established and/or approved by the Commission. Attached hereto as **Exhibit "F"** is a list of each system included in this application wherein the establishment of an AFPI charge is being requested, organized by county, along with the number of the last Commission docket and Order, if any, in which an AFPI charge was previously established and/or approved by the Commission.

20. Pursuant to the noticing requirements set forth in Rule 25-30.4345, upon filing this Application, AUF has published a notice of its Application for the establishment of AFPI charges and/or increased service availability charges in a newspaper of general circulation in the service areas included in the Application. AUF has also mailed a notice of its Application for the establishment of AFPI charges and/or increased service availability charges to all persons in the service areas included in the Application who have filed a written request for service or who have been provided a

written estimate for service within the 12 calendar months prior to the month this Application is filed. Attached hereto as **Exhibit "G"** are copies of these mailed notices. AUF will provide copies of the published notice to the Commission upon receiving confirmation of each publication.

21. The information and schedules required by Rule 25-30.434, Florida Administrative Code, in support of AUF's request for the establishment of AFPI charges, are contained in Volume III of the MFRs filed herewith. The prefiled direct testimony of AUF witness John F. Guastella filed herewith, explains the basis for the requested establishment of AFPI charges.

22. The information and schedules AUF's request for increased service availability charges, are contained in Volume IV of the MFRs filed herewith. The prefiled direct testimony of AUF witness John F. Guastella filed herewith explains the basis for and supports the requested changes in charges and conditions.

23. A copy of this Application and the supporting exhibits for an increase in service availability charges and for establishment of AFPI charges shall be made available for public inspection at AUF's local office located in Sarasota, Florida, during the office's regular posted business hours, as well as at each location listed in Exhibit "B."

WHEREFORE, AUF respectfully requests that the Commission:

A. Accept jurisdiction of this Application for increased rates, service availability charges and establishment of AFPI charges;

B. Approve the collection of interim rates as requested herein;

C. Approve final increased rates, service availability charges and establishment of AFPI charges as requested herein;

D. Grant such further relief as the Commission deems fair, just, equitable and appropriate.

Respectfully submitted this 1<sup>st</sup> day of December, 2006.
