ORIGINAL

Ralph, yes, the correct name doesn't include "Inc." I am updating the docket title now (MCD is already correct). Please show the company name in the order without "Inc."

Thanks.

Because the correct name is Park Water Company without an Inc., Mary Anne and I think the docket title should be changed to delete the "Inc." What do we have to do to do this, and do you have any problems with that?

OK, I will update MCD to reflect the company's name as Park Water Company. Thanks for your help in this matter. N

Mary Anne and I agree that if you can just change MCD to Park Water Company, we'll call the utility and let them know.

Patti, we're preparing the 9/19 agenda today...Park Water's Docket 050563 is on for its PAA rate case. I noticed in proofing that the rec includes a comma in the company's name between "Company" and "Inc." while MCD doesn't....to try to resolve the discrepancy I checked back through some dockets and finally went to Corporations' website, where I found that the company's name on file there is Park Water Company (no comma, no Inc.).

Apparently they've had that name for a number of years, and maybe had the name "Crooked Lake Park Water Company" before, but it appears they never used "Inc." in their name.

Would you agree we should update our records so they agree with what is filed with Division of Corporations?

Kay
