To Whom It May Concern:

I need to have the following changes made to our records. In your records, it shows "SwiftTel" as a d/b/a name for Melbourne Venture Group. As this was correct in the years passed, Swiftel is now its own entity. I need to have the records updated to reflect this change. Also the spelling should be Swiftel, LLC. I have enclosed a copy of the Articles from the State of Florida showing this information. I am currently in negotiations with Bellsouth and have given them our certification, however before I can move forward with them; I need to show them the certification with the correct spelling of Swiftel. If you have any questions regarding this matter, please call me at anytime.
