Embarq Florida Inc., pursuant to Section 364.183, Florida Statutes and Rule 25-22.006, Florida Administrative Code, files this Request for Confidential Classification and requests that the Florida Public Service Commission ("Commission") classify certain documents identified herein as confidential and exempt from public disclosure under chapter 119, Florida Statutes, and issue any appropriate protective order reflecting such a decision. In support thereof Embarq states as follows:

1. On October 4, 2006, the Staff of the Florida Public Service Commission (Staff) notified Embarq's via letter that it would be conducting an audit of Embarq's 2006 Storm Costs.

3. Because the information provided to Staff in Embarq's responses to various audit request contain confidential and proprietary information, Embarq's is now filing this Request for Confidential Classification pursuant to Section 364.183, Florida Statutes, Accordingly, it should be held exempt from the public disclosure requirements of Section 119.07, Florida Statutes.

4. Attachment A to Embarq's Request for Confidential Classification contains an explanation of the proprietary information and identifies the location of the information designated confidential.

6. Section 364.183(3), F.S., provides:

3) The term "proprietary confidential business information" means information, regardless of form or characteristics, which is owned or controlled by the person or company, is intended to be and is treated by the person or company as private in that the disclosure of the information would cause harm to the ratepayers or the person's or company's business operations, and has not been disclosed unless disclosed pursuant to a statutory provision, an order of a court or administrative body, or private agreement that provides that the information will not be released to the public. The term includes, but is not limited to:

(a) Trade secrets.

(b) Internal auditing controls and reports of internal auditors.

(c) Security measures, systems, or procedures.

(d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the company or its affiliates to contract for goods or services on favorable terms.

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information.

7. The subject information has not been publicly released by Embarq.

8. The original of this Request was filed today with the Division of the Commission Clerk and Administrative Services and a copy was served on the Parties.

WHEREFORE, based on the foregoing, Embarq respectfully requests that, pursuant to Section 364.183, Florida Statutes, the Commission enter an order declaring the information described above to be confidential, proprietary business information, exempt the information from disclosure under chapter 119, Florida Statutes, and issue any appropriate protective order, protecting the information from disclosure while it is maintained at the Commission..

Respectfully submitted this 8th day of December, 2006
