Dear Ms. Bayo,

Attached is First Revised Sheet No. 24.1 canceling Original Revised Sheet No. 24.1, Standard Form Customer's Bill/Back. We inadvertently submitted this sheet as Fifth Revised Sheet on November 30, 2006. There was a misunderstanding regarding the previous revision number as a result of the PSC's cover letter dated July 29, 2002 (attached).

We respectfully request that the Commission approve this sheet effective January 1, 2007, along with the other rate tariff sheets we submitted on November 30, 2006 effective the same date. If you have any questions regarding this change in revision number, please contact me at 239-656-2111.

EXPLANATION OF CHARGES

ACCOUNT DEPOSIT - Secures the balance due upon termination of electric service. May be assessed on new accounts, or on existing accounts with a record of delinquent payments.
CUSTOMER CHARGE - A monthly amount to cover the cost of service, including the meter and the administrative costs of billing. This charge is applied regardless of the level of energy usage.
DEMAND CHARGE - The charge per kilowatt (kw) of demand which reflects the cost of generation, transmission and distribution plant investment. Demand charges are applicable for larger (over 20 kw) commercial and industrial accounts. For other customers, these costs are incorporated into the energy charge. The demand meter measures the highest 15-minute interval of electric usage during the billing month.
ENERGY CHARGE - The charge for electric energy used (kilowatt hours) to cover the cost of producing and delivering electric service. LCEC purchases electric power from a wholesale supplier, and the energy charge includes a base wholesale cost of power.
FRANCHISE FEE - A fee paid to the applicable city for the right or privilege to utilize the public property of the city for the purpose of supplying electric service. All monies collected are paid to the city.
GROSS RECEIPT TAX - A tax that is levied by the State of Florida on LCEC's total gross receipts and remitted to the State in accordance with applicable laws.
LATE FEE - The charge to cover administrative costs for collecting payments after due date.
MUNICIPAL TAX - A tax assessed by a municipality when applicable. All monies collected are paid to the municipality.
POWER COST ADJUSTMENT - This charge reflects the difference between the actual cost of purchased power from the wholesale supplier and the base wholesale cost of power included in the energy charge.
SALES TAX - A tax levied by the State of Florida, when applicable, at the current rate. This tax is remitted to the state in accordance with state laws.
