RE: Lake Utility Services, Inc.; Docket No.: 020907-WS  
Our File No.: 30057.49

Dear Donna:

It does not appear as if any progress is being made with the Hartwood Group of companies to resolve their objection to the Lake Utility Services, Inc. PSC Application. As you know, we have resolved matters with the Ames Group of companies.

We cannot continue to allow this matter to remain open indefinitely, and would appreciate it if you could advise me when you might expect a dismissal of their objection. If this matter cannot be resolved expeditiously, I see no option but to go forward with the hearing. I think in light of the withdrawal of the Ames Companies Objection there is no reasonable likelihood that the Hartwood Group would be successful in their objection to Lake Utility Service's Application.

Very truly yours,

RE: Lake Utility Services, Inc.; Docket No.: 020907-WS  
Our File No.: 30057.49

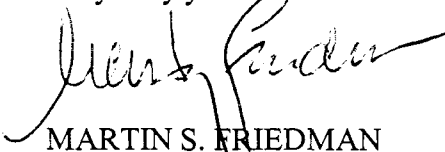

Dear Mr. Brown:

I understand from Donna Stinson in your firm's Tallahassee office that you are now responsible for representing the Hartwood interests in this proceeding. It does not appear as if any progress is being made with the Hartwood interests to resolve their objection to the Lake Utility Services, Inc. PSC Application. As you may know, we have resolved matters with the Ames' interests.

We cannot continue to allow this matter to remain open indefinitely, and would appreciate it if you could advise me when you might expect a dismissal of their objection. If this matter cannot be resolved expeditiously, I see no option but to go forward with the hearing. The Commission Staff is also anxious to bring this 2002 docket to closure. I think in light of the withdrawal of the Ames interests' objection there is no reasonable likelihood that the Hartwood interests would be successful in their objection to Lake Utility Service's Application.

I am emailing you to let you know Hugh Slater and Elizabeth Slater are against having public water and sewer anywhere near our property! We live at 9545 Quiet Lane, Winter Garden Fl 34787.

Florida Public Service Commission docket # 020907-WS.

The Valley View Sub Division made this known 2 years ago and we were informed that our community would not be part of having public water and sewer.

Please let me know why we keep having to voice our opinion over and over again!

Who voted to have this brought back up? Those who did will not have our votes the next election!

I thought we the people had a right and a voice, please make our voices matter and represent us with NO WAY DO WE ALLOW PUBLIC WATER AND SEWER down on Quiet Lane, Winter Garden, 34787.

I would appreciate an email back with you response.

Thank You,

Liz Slater

Clerk,

Please gave a copy of this to Matthew M. Carter II, J. Terry Deason, and Isilio Arriaga, I already emailed Lisa Plak Edgar, and Katrina J. Tew.

My name is Diana Coletta and I live at 9816 Quiet Lane, Winter Garden, FL 34787  
I would like to know why you voted to reinstate Order No. PSC-05-0523-FOF-WS?

All of us that live out in this area have 5 acres of land. We are all on septic & well systems. We moved out here to get away from having to pay a monthly bill for water and sewer. Even tho we live on 5 acres doesn't mean that we have the money to hook up to sewer and water from Lake County Utility Services, Inc.. Where do you think that we will get an extra \$20 to \$40 thousand to hook up, its not like we all live 25 ft off the road. Why would you want to put this extra burden on all of us, when it is not necessary. It seems to us that this issue is being pushed thru so that Lake County Utility Services, Inc. can beat any other service to the punch. But it is an unnecessary issue. It is as if we have no voice in our government any more and the government will do what is best for them and their pocket instead of what is good for the people. I am asking you a very concerned citizen that you and the other commissioners vote not to allow this to happen.

Thank you,  
Diana Coletta

**Subject:** Docket No. 020907-WS -- Lake Utility Services, Inc. --- Item 16 on the Dec. 5 agenda

The Commission recently received two e-mails from concerned residents Elizabeth Slater and Diana Coletta, who live near the Lake Utility Services, Inc. service area. They contacted the Commission by e-mail to renew their opposition to their property (the street they live on called Quiet Lane, and the subdivision in which they reside called Valley View) being included in the certificated territory of Lake Utility Services, Inc. These residents protested the original notice, and the utility changed its amendment request to remove their property from the service territory addition the utility originally requested, thus resolving the protests.

Tom Walden on staff has responded to both e-mails informing these residents that they will remain outside the utility's territory. Mr. Walden explained that they live more than two miles outside the utility's territory. He further explained that the recommendation set for the Dec. 5 agenda addresses wastewater only, and that the purpose of the recommendation is to correctly state the wastewater territory that the utility should have in its certificate. Mr. Walden pointed out that the wastewater territory description contained in the Commission's Order No. PSC-05-0523-FOF-WS, issued May 13, 2005, was not correct.

We believe that the concerns raised by these two residents have been satisfied, since the territory in the recommendation will not affect them.

Please let either Tom or me know if you have any questions.

Thanks, Mary Anne
