RE:

Miami Gas Stations, Inc. (TE035)

Dear Mr. Abramovich:

The Commission received Miami Gas Stations, Inc.'s 2006 Regulatory Assessment Fee return form with a note "No longer operates pay phones." Unfortunately, the company still owes the 2006 fee because the minimum fee is owed if a certificate is active for any day during a calendar year. If the fee is paid by the due date of January 30th, I will open a docket to cancel the certificate with an effective date of December 31, 2006. That way, the company will not owe the 2007 fee. Just as information, the 2007 minimum fee is increasing from \$50 to \$100, so you requested cancellation at the right time to avoid having to pay the higher minimum fee.

Please let me know how you wish to proceed and let me know if you have any questions.  
Thanks.
