Re: Docket number 060726-WS - Silver Lake Utilities - Application for certificates to provide water and wastewater service in Glades County and water service in Highlands County by Silver Lake Utilities, Inc.

Dear Ms. Register:

On December 4, 2006, the Florida Public Service Commission received your letter advising of your and/or Gatorama's objection to Silver Lake Utilities, Inc.'s (Silver Lake) application to operate water and wastewater utility in Glades County, Florida. This letter is to request that you and/or Gatorama clarify whether by your letter, you and/or Gatorama request that a full evidentiary hearing be held in the above-referenced docket.

As you know, Silver Lake filed an application for certificates to provide water and wastewater service in Glades County and water service in Highlands County. The proposed 350,000 acre service area consists primarily of the Lykes Bros. Inc.'s (LBI) ranch, the proposed Muse Village development, and the existing West Glades School campus. Silver Lake proposes to take over the LBI ranch's existing water facilities and to construct new central water and wastewater facilities for Muse Village development and the West Glades School campus. Detailed information on the scope of the project and the cost to individual landowners is provided in the engineering report attached as Exhibit B to the application. Information in the docket file may be viewed on the Commission's website, at www.psc.state.fl.us.

The Commission needs to know you and/or Gatorama's intent regarding your and/or Gatorama's objection to this application. If you and/or Gatorama choose to pursue the objection, a formal hearing may be requested, which will be scheduled and at which you and/or Gatorama will be required to provide testimony and other evidence to support the objection. The Commission allows individuals to represent themselves at hearing, such that you could represent yourself, although you may wish to hire an attorney to represent you. However, if Gatorama wishes to be represented at the hearing, it would need to hire an attorney or qualified legal representative to represent the interests of Gatorama.
