

VOTE SHEET

February 13, 2007

Docket No. 070056-EG – Petition for approval of extension and permanent status of price responsive load management pilot program, by Tampa Electric Company.

Issue 1: Should the Commission grant the request by Tampa Electric Company (TECO) to extend its Residential Price Responsive Load Management Pilot Program until the Commission has an opportunity to consider the conversion of this Program to permanent status?

Recommendation: Yes. The pilot program should be extended until the Commission has an opportunity to consider TECO's petition for conversion, but should cease no later than August 31, 2007. TECO is expected to file the petition requesting conversion before May 1, 2007.

APPROVED

Vote Sheet

February 13, 2007

Docket No. 070056-EG – Petition for approval of extension and permanent status of price responsive load management pilot program, by Tampa Electric Company.

(Continued from previous page)

Issue 2: Should TECO be allowed to recover, for the limited extension, the reasonable and prudent expenditures associated with the Residential Price Responsive Load Management Pilot Program through TECO's Energy Conservation Cost Recovery (ECCR) Clause?

Recommendation: Yes. If Issue 1 is approved, the prudent expenditures required to maintain the operation of the pilot program through the extension are appropriate for recovery.

APPROVED

Issue 3: Should this docket be closed?

Recommendation: No. If no timely protest is received, the Order will become final upon the issuance of a Consummating Order. However, the docket should remain open pending Commission action on TECO's application for conversion of the pilot program to a permanent program.
