Re: Notice of Intent to File Joint Petition of BellSouth Telecommunications, Inc. and Windstream Florida, Inc. to Transfer Territories in Alachua County and to Amend Certificate

Dear Ms. Bayo:

Pursuant to Rule 25-4.005, Florida Administrative Code, and on behalf of Windstream Florida, Inc., I am writing to notify you that Windstream and BellSouth Telecommunications, Inc. intend to file the attached Joint Petition with the Florida Public Service Commission in the near future. This transfer includes 4 local exchange customers in BellSouth's territory who will be transferred to Windstream. I will send an executed copy of the petition to you when it is filed.

You may call me at the number shown above if you have any questions about this notice.

Sincerely,

J. Jeffrey Wahlen

In re: Joint Petition of BellSouth
Telecommunications, Inc. and
Windstream Florida, Inc. (formerly
known as Alltel Florida, Inc.) to
Transfer Territories in Alachua
County and to Amend Certificates
_____)

Docket No. 070000
Filed February _____, 2007

**JOINT PETITION OF BELLSOUTH TELECOMMUNICATIONS, INC.
AND WINDSTREAM FLORIDA, INC. (formerly known as Alltel
Florida, Inc.) TO TRANSFER TERRITORIES IN ALACHUA
COUNTY AND TO AMEND CERTIFICATES**

BellSouth Telecommunications, Inc. ("BellSouth") and Windstream Florida, Inc. (formerly known as Alltel Florida, Inc.) ("Windstream") pursuant to Rules 25-4.005 and 28.106.201, Florida Administrative Code, jointly petition the Florida Public Service Commission (the "Commission" or "FPSC") to modify certain exchange boundaries in Alachua County and to amend the companies' certificates accordingly. In support of this petition, BellSouth and Windstream state as follows:

1. BellSouth is an incumbent local exchange company lawfully doing business in the State of Florida, the regulated operations of which are subject to the jurisdiction of the Commission pursuant to Chapter 364, Florida Statutes. BellSouth provides service in Florida under FPSC Certificate of Public Convenience and Necessity No. 8.

2. Windstream is an incumbent local exchange company lawfully doing business in the State of Florida, the regulated operations of which are subject to the jurisdiction of the commission pursuant to Chapter 364, Florida Statutes. Windstream

provides service in Florida under FPSC certificate of Public Convenience and Necessity No. 10.¹

3. BellSouth's principal place of business is 675 W. Peachtree St., NE, Suite 4500, Atlanta, GA 30375.

4. Windstream's principal place of business in Florida is 206 White Avenue SE, Live Oak, Florida 32060-0343.

5. Pleadings, orders, notices and other papers filed or served on this matter should be served upon:

6. By this petition, BellSouth and Windstream seek to amend the Alachua exchange boundary to transfer the territory associated with four (4) local exchange customers (single family homes) currently located in the BellSouth Gainesville Exchange to the Windstream Alachua Exchange. The territory to be transferred consists of a small pocket of territory east of I-75 that has historically been served by

¹ By Order No. PSC-06-0425-PAA-TP in Docket No. 050938-TP, which became final on June 13, 2006, the Commission approved transfer of this certificate from ALLTEL Corporation to Windstream.

BellSouth via an overhead cable that crosses the interstate. Windstream can serve the customers without crossing the interstate in a manner that is both safe and cost-effective. A copy of a map showing the area to be transferred is attached as Exhibit "A." A legal description of Windstream's Alachua Exchange showing the proposed boundary changes in legislative format is attached hereto as Exhibit "B."

7. The present exchange and territory boundary was drawn many years ago based on section lines. The boundary change will better align the companies' exchange service areas, and will adjust the boundary to reflect I-75 as a readily discernible terrain feature.

8. As indicated in the letters attached hereto as Exhibit "C," the customers currently in BellSouth's territory to be served by Windstream post-approval have requested the transfer. The customers will take service under Windstream's existing tariffs and do not object to doing so. Future customers in the area to be transferred, if any, will also take service subject to Windstream's tariffs. The affected customers will be served by Windstream at prices and calling scopes as set forth in Windstream's General Subscriber Service Tariff.

9. There are no pending applications for basic local service held by BellSouth or Windstream related to the territory to be transferred.

10. BellSouth does not currently hold any deposits or deposit interest for the customers in the area to be transferred.

11. Upon the Commission's approval of the modifications proposed herein, the parties will file the final tariff sheets for administrative approval.

12. No financial exchange or consideration was, or shall be, given for this proposed transfer of Certificated Areas. This Joint Application is the only written agreement between the applicants.

13. Both BellSouth and Windstream have agreed that the requested transfer of service area is feasible from an economic standpoint and beneficial to the subscribers of both companies.

14. Pursuant to FPSC Rule 25-4.005, the required affidavits are attached to this Joint Petition as Exhibit "D", and certify that notice of intention to file the Petition has been given to those parties set forth in the above cited rule.

WHEREFORE, Windstream and BellSouth request that this Joint Petition be considered, and that the FPSC redefine the boundaries of the Petitioners' Certificates of Public Convenience and Necessity as requested in the Petition, and that the FPSC enter an appropriate order to effect such a redefinition.

RESPECTFULLY SUBMITTED this _____ day of February, 2007.

July 12, 2005

Dear Mr. Stanley,

I am writing this letter to ask you to research the area we are in and see if DSL is going to be available to us in the very near future. We have been told from the operator's in Louisiana that we would be the last of the line for Bell South to offer us this service. However, everyone with the exception of 1 or 2 people in our neighborhood area are on Alltel and have DSL. If you are unable to provide us with this service then we would ask to be transferred to Alltel.

To Whom It May Concern:

We are currently customers of Bell South and are interested in getting DSL. After discussion with them we were told that this would not be possible as Bell South customers. After writing a letter to a Mr. Stanley asking to be released as their customer I was contacted by phone and told that we could do that.

So, I would at this time like to be transferred to Alltel to become one of your customers.

Thanks for your help with this matter.

Dear Mr. Stanley:

I, and several of my neighbors, have pursued on many occasions, the acquisition of DSL service for our area. As you are well aware, dial-up internet service is slow and cumbersome. Needless time and energy is wasted when trying to access the internet. Also, with dial-up service, we are tied to a desk top computer system. Representatives at BellSouth, have repeatedly told us that our little area is not slated for "DSL" in the foreseeable future. We would appreciate an update on the time-frame for the availability of this service.

Directly north of our little area, is the terminal end of the Alltel line. All these individuals do have DSL internet access. The last address served by Alltel on this line is: 12704 Nw 109th Lane, Alachua, Fl 32615.

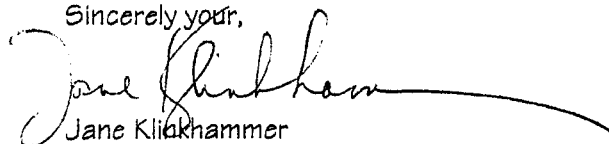

If BellSouth can not provide us with this advancement, then I, and three of my neighbors ask to be transferred to Alltel.

It is with great regret that I make this request, as BellSouth has provided us with excellent service over the years. I have been a BellSouth/ATT customer in the Alachua area for almost 30 years.

My physical address is: 12426 Nw 109th Lane
Alachua, Fl 32615

My land-based phone number is: (352) 332 9941

I would appreciate your assistance in this matter.
Thank you in advance for your help.
