**NOTICE OF AMENDMENT TO
SERVICE AVAILABILITY FEES AND CHARGES**

Notice is hereby given on the 20th day of February, 2007, pursuant to Section 367.101, Florida Statutes, and Section 25-30.4345, Florida Administrative Code, that by Order No. PSC-07-0130-SC-SU, in Docket No. 060256-SU, the Florida Public Service Commission has proposed to amend the fees and charges that Alafaya Utilities, Inc. (*Utility*) is authorized to charge to connect to the Utility's system. Any protest to this Order proposing to approve the increased service availability charges must be filed with the Commission by 5:00 p.m., on March 8, 2007.

The purpose of the proposed amendment to the Utility's service availability policy is to pay for growth of the Utility's system. The amendment will only affect new, not existing, customers of the Utility. It will become effective when the protest period expires on March 8, 2007.

A comparison of the current and Commission approved service availability charges are as follows:

<u>Type of Charge</u>	<u>Current Charge</u> (Applies to existing customers)	<u>Commission Approved</u> (Applies to customers requesting service after effective date)
Plant Capacity Charge		
Residential-per ERC (220 GPD)	\$640.00	\$1,762.00
All others per gallon, per day	\$2.29	\$8.01
Meter Installation Fee	N/A	\$150.00

Any comments or concerns about the amendment to the Utility's service availability policy must be addressed to the Director, Division of Commission Clerk and Administrative Services, Florida Public Service Commission, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, with a copy to Martin S. Friedman, Esquire, Rose, Sundstrom & Bentley, LLP, 2180 W. State Road 434 Suite 2118, Longwood, FL 32779. Please refer to the following in your correspondence: "Application of Alafaya Utilities, Inc., Docket No. 060256-SU".
