Dear Mr. Cooper:

David Brown asked me to contact you about your request for cancellation. The Regulatory Assessment Fee is owed if a certificate is active for any day during a calendar year. The letter you sent last year was not postmarked until February 28, 2006, therefore, you owe the 2006 fee. As soon as the past due amount is received, I will open a docket to cancel your certificate effective 12/31/06.

In addition to the 2006 Regulatory Assessment Fee and late payment charges, our records also show you have a \$12 balance for late payment of prior years. A breakdown of those three late payments are attached for your review. This means, if your payment is postmarked by March 1, 2007, you will owe a total of \$65.00 (\$53 for 2006, \$3 for 2003, \$3 for 2002, and \$6 for 2000). If your payment is postmarked between March 2nd and March 31st, the total is \$68.00 (\$56 for 2006, \$3 for 2003, \$3 for 2002, and \$6 for 2000).

Please respond by March 9, 2007, and let me know if you have any questions.
